

4 R's PRAYER MODEL

Using Scripture to Transform Your Prayer Life

Prayer - Seeking to have intimacy with God that leads to the fulfillment of his purposes.

Matthew 6

Jesus told us to "Pray like this!" He has given us a model or template to shape our prayers. This isn't a script, but rather a guide to give *life* to our prayers.

HE IS WORTHY || WE ARE NEEDY

- 1) Reverence - Start vertical: "Hallowed by your name"
- 2) Response - Surrender your plans and for the Lord's plans
- 3) Request - Ask for help with your resources and relationships
- 4) Readiness - Ask for protection and help for the kingdom work in your life

Pray with Scripture to place your attention on the Lord and inspire specificity in your prayers. Let this breathe intimacy and sweetness into your time with the Lord.
